

Q R C A

Qualitative Research
Consultants Association

Introducing the

MENTORING
EXCHANGE

MENTORING EXCHANGE MISSION

To provide a dynamic structure for the sharing of knowledge and expertise in Qualitative Research.

In recognizing our members' invaluable experiences and skills, the Mentoring Exchange enables the exchange and sharing of know-how, approaches, techniques, and information between individual QRCA members, in order to help further develop their competencies, creativity and professional standards.

MENTORING EXCHANGE

Share your own expertise or learn from others through several mentoring arrangements.

Classic Mentoring: An experienced QRC shares professional knowledge and expertise with a less experienced QRC

Peer-to-Peer Mentoring: 2 experienced QRCs team up to further each other's competencies

Specialty Exchange: For QRCs who wish to break into a new field or gain a competency in a new area

International and Cross-Cultural Exchange: Focused specifically on international and cross-cultural research

Charity Program: A venue that connects members/chapters and offers PR opportunities while serving a worthwhile non-profit cause

BE A MENTOR *or* FIND A MENTOR TODAY!

- Check out the mentoring website resources and information
- Join the Mentoring Exchange mailing list
- Visit the Mentoring Exchange on the Forum to find and make contact with a Mentor or Mentee
- Contact Pia Mollback with questions or feedback at pia@modusresearch.com
